Hello friends!
My name is Zero.

I am a number.
Numbers tell "how many."

How many fingers is this boy holding up?

How many fingers is this boy holding up?

That's right! None! What number is that?

Zero. That's me!

This is my hand sign. Do you know why?

Can you make this sign with your hand?

My favorite foods are
donuts, bagels and Cheerios®.

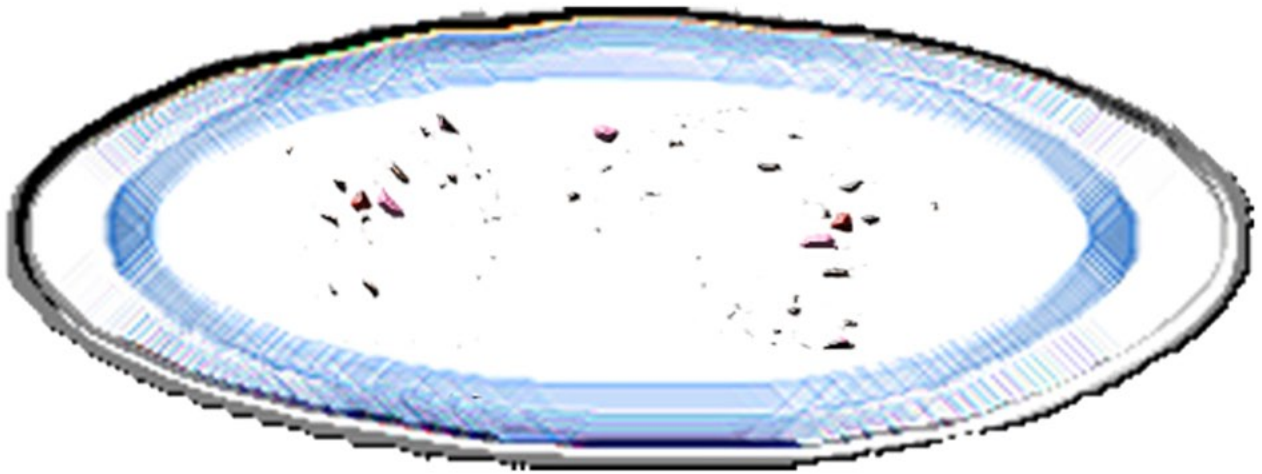

Can you guess why?

How many donuts do you see on this plate?
Let's count them!

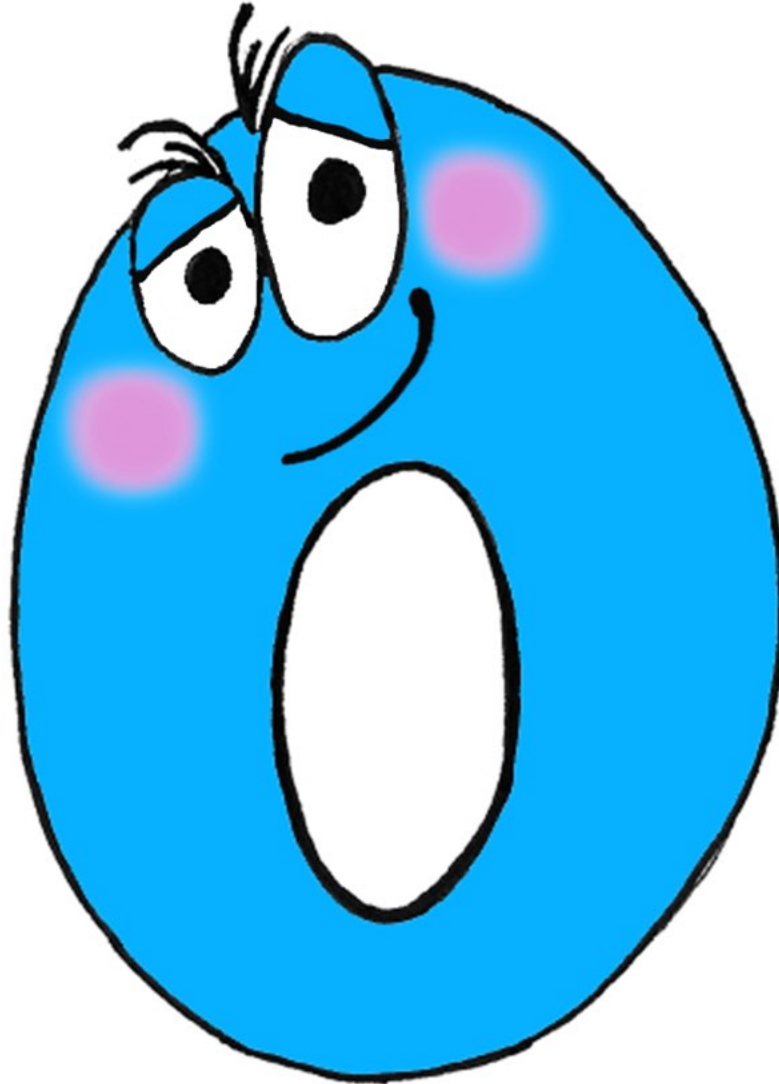

How many donuts are there now?

None.
All gone. **Zero!**

I guess I was very hungry!
